

Screen Cleaner

Product Information

Enzyme Wizard Screen Cleaner is a streak-free glass cleaner for TVs, computers and mobiles.

- pH Neutral
- SOAP FREE
- Won't damage screen

The formula in the Enzyme Wizard Screen Cleaner cleans all fingerprints and marks off the screen – being soap free, it won't leave any streaks.

pH Neutral formula won't damage glass or screen.

This product is Plant-based and Vegan.
No harsh fumes.

What's innovative about the Screen Cleaner?

Organic Multi Function Enzyme
The Benefits of Adding a Multi-Enzyme Solution:

- A more sustainable cleaner. Enzymes are readily biodegradable.
- Fast drying solution.
- Soap free. • No residue left behind.
- Improved performance. The synergistic effect of combining several enzymes results in improved stain removal and overall cleaning beyond what single enzymes and traditional surfactants can achieve.
- Energy-efficient product. Enzymes work well even at low temperatures.

SCREEN CLEANER

Streak-free cleaner removes marks and fingerprints

TVs - computers - mobiles

- The enzymes in our Screen Cleaner break down stains & odours into their basic elements. Carbon, hydrogen and other elements readily integrate with the environment instead of polluting it. Even mineral buildups simply fall apart when our enzymes break down the organic 'glue' that holds it in place.
- **Complete Ingredients:** Water, Enzyme Wizard enzymes blended from plants, surfactant and fragrance.
- **Material Data Sheet:** Available on web site.
