MULTI-SURFACE CLEANER / DEGREASER

Removes oil and grease from all surfaces

**Food Grade approved
Specially formulated for
restaurants**

- The enzymes in our Multi-Surface Cleaner / Degreaser break down oil / grease into their basic elements. Carbon, hydrogen and other elements readily integrate with the environment instead of polluting it. Even oil slicks simply fall apart when our enzymes break down the organic 'glue' that holds them in place.
- **Complete Ingredients:** Water, Enzyme Wizard enzymes blended from plants, surfactant and builders.
